4th Annual VIRTUAL BENEFIT CONCERT

Presented by the Lauri Strauss Leukemia Foundation

This Year We Honor Our Donors

At this time of holiday giving, please join us in this imaginary magical musical event by making a fully tax deductible contribution so we can one day live in a world free of these cancers.

Your real participation in our 4th Virtual Benefit Concert will enable us to continue our mission to find the causes and cures for leukemia, lymphoma, Hodgkin disease, multiple myeloma and allied cancers. Your contribution also serves as an honorary tribute to LSLF Discovery Grant investigators who work relentlessly toward eradicating these dreaded diseases which take the lives of those we love.
